HAND CRAFTED BIRD BOXES

SWIFT NEST BOX

A nesting box for swifts: crafted with care and precision and handmade in Bridport with quality materials and FSC approved timber (ethical and sustainable).

Designed for mounting under the eaves, with hinged sloping lid (for access), and brass clasp and hinges, glued and screwed to 12.5 mm WPB plywood base and back, and 20mm timber sides and lid, and with a 12.5mm hardwood face, complete with fixings.

All paint finished both internally and externally with two coats of Sadolin exterior antique pine wood stain and roof with forest green Ducksback preparation to afford maximum weathering.

Designed to be mounted on a wall ideally under south or west facing eaves at a height of about 4 metres, and in a position with a clear flight line of some 10 meters in front, it affords an ideal home for swifts.

Measuring 250mm high x 240mm deep and 410mm wide the box has a swift specific access hole of 28mm x 65mm

PRICE **£37:50 each** **or** **£70:00 a pair**

Made to order (minimum of a three week lead time please) they may be delivered and wall mounted for a little extra.

We construct engineered bird boxes of all descriptions to order and are happy to consult with our customers to achieve the desired result.
